#10 - 2011-02-09 08:56 - Matthew Jones

- Category set to d1_client_r
- Assignee set to Matthew Jones
- Status changed from In Progress to Closed

Both d1_client_r and eva_demo_1 are now working in a fully automated manner, building the demos and producing the graphics. Hudson builds for both were set up and are running. There are improvements that can be made (e.g., to support data resolution via the CNs, and data cacheing), but these will be entered as separate prioritizable stories.
