

Infrastructure - Bug #1127

trailing slash is significant in cn/object

2010-12-02 22:16 - Rob Nahf

Status:	Rejected	Start date:	2010-12-02
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	Sprint-2010.48	Story Points:	
Milestone:			
Product Version:	*		
Description http://cn-dev.dataone.org/cn/object does not return an objectList, just html saying "no action is available for the specified URL." should be the same as http://cn-dev.dataone.org/knb/object/ tests against kn/object & knb/object/ indicate that the problem is in the cn service & proxy layer.			
Subtasks: Task # 1128: add unit(?) test for trailing slashes in cn service			
			Rejected

History

#1 - 2010-12-02 22:21 - Rob Nahf

- Target version changed from Sprint-2010.49 to Sprint-2010.48

#2 - 2010-12-03 18:02 - Robert Waltz

I don't see that happening on my machine:

<http://cn-dev.dataone.org/cn/object/>

&&

<http://cn-dev.dataone.org/cn/object>

retrieve the same results.

adding in search query shows 'No action is available'

#3 - 2010-12-03 18:28 - Robert Waltz

- Status changed from New to Rejected
