Description

for at least cn-dev, cn-dev-2, cn-unm-1: <http://cn-dev.dataone.org/cn/object> does not return an object list. Instead, the error:

```
<?xml version="1.0"?>
```

Document not found:d1

perhaps related, <http://cn-dev.dataone.org/cn/object?start=0> returns the "No Action Available for the specified URL" response.
