Story # 1224 (Closed): Ensure complete CN build is generated by Hudson

Configure Hudson Metacat build

2011-01-13 14:41 - Dave Vieglais

Status:	New	Start date:	2011-01-13

Milestone:			
Product Version:	*		
Description			
Hudson appears to be having problems building Metacat.			
Check build settings and adjust settings or environment as necessary to ensure that a Metacat war file is being built.			
The current configuration is to invoke Ant :			
war			
runonetest -Dtesttorun=CrudServiceTest			
The build appears to fail, perhaps due to a hard coded properties file path. For example:			
http://dev-testing.dataone.org:8080/hudson/job/Metacat/4731/console
