

Infrastructure - Bug #1235

d1_common_java not compiling

2011-01-17 15:31 - Dave Vieglais

Status:	Closed	Start date:	2011-01-17
Priority:	Urgent	Due date:	
Assignee:	Rob Nahf	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	Sprint-2011.03	Story Points:	
Milestone:			
Product Version:	*		

Description

[INFO] -----

[ERROR] BUILD FAILURE

[INFO] -----

[INFO] Compilation failure

```
/home/hudson/work/jobs/d1_common_java/workspace/d1_common_java/src/main/java/org/dataone/service/mn/MemberNodeHealth.java:[40,17] unmappable character for encoding UTF8
```

```
/home/hudson/work/jobs/d1_common_java/workspace/d1_common_java/src/main/java/org/dataone/service/mn/MemberNodeHealth.java:[40,31] unmappable character for encoding UTF8
```

History

#1 - 2011-01-17 15:53 - Dave Vieglais

Additional info - the error was first encountered with a checkin by Chad of apparently unrelated changes:

Summary

added a class to handle parsing of the nodeList and a test to test it

Revision 3018 by berkley:

added a class to handle parsing of the nodeList and a test to test it

/software/cicore/trunk/d1_common_java/src/main/java/org/dataone/service/mn/MemberNodeHealth.java

/software/cicore/trunk/d1_common_java/src/main/java/org/dataone/service/NodeListParser.java

/software/cicore/trunk/d1_common_java/src/test/java/org/dataone/service/NodeListParserTest.java

Is the editor configured to use UTF-8 encoding?

#2 - 2011-01-17 16:18 - Dave Vieglais

- Target version set to Sprint-2011.03

- Position set to 1

#3 - 2011-01-18 13:46 - Dave Vieglais

- Status changed from New to Closed

Problems were:

1. Source was not saved in utf-8

2. MS style quote characters were used in a comment.

Spurious chars removed from comment section and source saved as UTF-8
