Related to Infrastructure - Story #1271: Refactor d1_libclient_java to work w...	**Closed**	**2011-01-28**

History

#1 - 2011-02-03 18:57 - Rob Nahf

- Category changed from d1_common_java to d1_libclient_java

- Status changed from New to In Progress

- Priority changed from Normal to High

- % Done changed from 0 to 90

worked out compatibility issues between new httpClient and server side requestResolver related to mulitpart handling.
Wrote new integration test class SimpleAPITest - which organizes tests differently to preserve sessionId's. It links the tests a bit, but greatly speeds up performance.

#2 - 2011-02-03 19:07 - Rob Nahf

- Status changed from In Progress to Closed

- % Done changed from 90 to 100

integration tests independent of D1 services require a server-side implementation or conversely a reliance on d1_libclient_java, so will use existing D1_integration.D1ClientTest tests for now.
