Infrastructure - Bug #1260

dev-dryad-mn generating 500 error when getting checksum on non-existent object

2011-01-25 19:28 - Dave Vieglais

Status:	Closed		**Start date:**	2011-01-25
Priority:	Normal		**Due date:**	
Assignee:	Roger Dahl		**% Done:**	100%
Category:	d1_mn_GMN		**Estimated time:**	0.00 hour
Target version:	Sprint-2011.05			
Milestone:			**Story Points:**	
Product Version:	*			

Description

curl -H "Accept: text/xml" "http://dev-dryad-mn.dataone.org/mn/checksum/some%20bogus%20pid"

Is generating a http 500 error that is being returned as HTML.

Response should be a NotFound exception
