Description			
Subtasks:			
Task # 1317: Modify libclient_java to use DataPackage			Closed
Task # 1318: Modify d1_client_r to use DataPackage mechanism to handle resolve() call			Closed

History

#1 - 2011-02-09 09:00 - Matthew Jones

- Target version set to Sprint-2011.06
- Position set to 1
- Position deleted (4)

#2 - 2011-02-09 09:05 - Matthew Jones

- Assignee set to Matthew Jones
- Category set to d1_client_r
- Status changed from New to In Progress
- Priority changed from Normal to High
- Estimated time set to 5.00
- translation missing: en.field_remaining_hours set to 5.0

The current d1_client_r is bypassing the cn.resolve() calls and instead is directly pulling data from knb_mn. Need to re-enable the resolve() (possibly modify d1_libclient_java to provide better support and error handling) and thoroughly test for both d1_client_r and eva_demo_1.

#3 - 2011-02-14 18:16 - Matthew Jones

- Target version changed from Sprint-2011.06 to Sprint-2011.07
- Position set to 39
- Position deleted (12)

#4 - 2011-02-21 05:35 - Matthew Jones

- Status changed from In Progress to Closed
