History

#1 - 2011-02-09 23:37 - Rob Nahf

blew away www-data's known_hosts file on monitor host.
Looks like dataone_monitor user is not properly set up on cn-unm-1, at least
Fixed but still failing to connect

#2 - 2011-02-14 23:40 - Rob Nahf

- Status changed from New to Closed

problem with LDAP permissions. fixed now.
