Target version:	Sprint-2011.07			
Milestone:			**Story Points:**	
Product Version:	*			

Description

History

#1 - 2011-02-16 20:40 - Matthew Jones

- Status changed from New to In Progress

#2 - 2011-02-16 21:07 - Matthew Jones

- Category set to d1_client_r

- Status changed from In Progress to Closed

- % Done changed from 0 to 100

Moved additional parameters to createD1Client to be passed into method. Now format, submitter, nodeId, described, and describedBy come from the calling script.
