Target version:	CCI-0.3 Deployed			
Milestone:	None	**Story Points:**		
Product Version:	*			

Description

The mn_service needs to be generating system metadata for content (both data and science metadata entries).

Schema is at https://repository.dataone.org/software/cicore/trunk/schemas/coordinating_node_sysmeta.xsd

See http://mule1.dataone.org/ArchitectureDocs/SystemMetadata.html for more details, especially which attributes are set by the MN for version 0.3.
