#### Description

Currently using DataoneEMLParser from libclient\_java.

- a) there are many other EML parsers that can/should be used (like the EML Datamanager library)
- b) it's unclear if libclient\_java should even be providing an EML parser

#### History

#1 - 2011-06-08 21:36 - Ben Leinfelder

- Status changed from New to Closed

Added dataFormat parsing to the Data Manager Library in EML. Used updated jar in Metacat. Removed DataoneEMLParser references in Metacat
