Target version:	Sprint-2011.39-Block.5		
Story Points:			

Description

DataONE will be providing a day long workshop on Member Nodes and the Investigator Toolkit at the Environmental Information Management conference. The workshop will be held on the 30th and will be targeted towards technical users that may be interested in setting up a Member Node or implementing a new client tool.

This story is to capture tasks that need to be completed in preparation for the workshop.

Subtasks:

Task # 1702: Prepare introductory materials for EIM	**Closed**
