| Category: | d1_integration | Estimated time: | 0.00 hour |
| Target version: | | Story Points: | |
| Milestone: | CCI-0.6.4 | | |
| Product Version: | * | | |
| Description | | | |
| Testing replication can't fully be done via unit tests because it relies on at least two MNs and 1 CN. Write a test to replicate an object to test the Hazelcast maps, queues, and executor service functionality. | | | |
