

Infrastructure - Task #180

Create ticket to document decision about decision types

2010-01-14 18:45 - Bruce Wilson

Status:	Closed	Start date:	
Priority:	High	Due date:	
Assignee:	Bruce Wilson	% Done:	100%
Category:	Management	Estimated time:	0.00 hour
Target version:	General Operations	Story Points:	
Milestone:	None		
Product Version:	*		
Description			
This is a task to create a ticket showing that we're using tickets to document decisions. The work includes creating that ticket and writing some documentation (start with svn) on how to create decision tickets, what reports need to be altered, and sending the information out to the appropriate team.
