

Infrastructure - Task #1840

Story # 1836 (Closed): Enable CN Replication REST web service handling

Create a proxy interface for CNReplication implementations

2011-10-10 20:51 - Chris Jones

Status:	Closed	Start date:	2011-10-10
Priority:	Normal	Due date:	
Assignee:	Chris Jones	% Done:	100%
Category:	d1_cn_service	Estimated time:	0.00 hour
Target version:	Sprint-2011.41-Block.5	Story Points:	
Milestone:	CCI-0.6.4		
Product Version:	*		
Description			
The CN Replication Service calls will be proxied to Metacat or any other implementing backend. Create a ProxyCNReplicationService interface that the implementing classes will adhere to.
