

Infrastructure - Feature #1931

Change metacat to register with CN during configuration

2011-10-26 21:04 - Matthew Jones

Status:	Closed	Start date:	2011-10-26
Priority:	Normal	Due date:	
Assignee:	Ben Leinfelder	% Done:	100%
Category:	Metacat	Estimated time:	0.00 hour
Target version:	Sprint-2011.46-Block.6	Story Points:	
Milestone:	CCI-1.0.0		
Product Version:	*		
Description			
Metacat needs to be able to register with DataONE as a MN when it is being installed and configured. This will involve creating a Node description document and submitting it to the CN register() service with an appropriate set of information.			
Subtasks:			
Task # 1932: Modify registration to be manually initiated			Closed
Task # 1933: add ability to edit all user-settable registration properties			Closed
Task # 1934: record MN id after registration			Closed

History

#1 - 2011-10-26 21:08 - Matthew Jones

- Subject changed from Allow metacat to register with CN to Change metacat to register with CN during configuration
- Category set to Metacat
- Assignee set to Matthew Jones
- Milestone changed from CCI-0.6.4 to CCI-1.0.0

Partial implementation done, where metacat automatically registers each time configuration is run. Need to change this to be triggered by an admin.

#2 - 2011-11-15 04:11 - Dave Vieglais

- Position set to 13
- Target version set to Sprint-2011.46-Block.6
- Position deleted (34)

#3 - 2011-11-23 19:33 - Ben Leinfelder

- Assignee changed from Matthew Jones to Ben Leinfelder
- Status changed from In Progress to Closed
