Target version:	Maintenance Backlog			
Milestone:	CCI-1.0.0		**Story Points:**	
Product Version:	*			

Description

replicaStatus has a default of true. This makes it impossible to retrieve an ObjectList that is not filtered on replicaStatus. Other parameters, such as startTime, don't have a default. So when they are left out, there is no filtering done on that parameter. I think we should do the same with replicaStatus, so that leaving it out would return a list that contains all objects, regardless of their replicaStatus.

History

#1 - 2011-11-03 20:29 - Dave Vieglais

- Status changed from New to Closed

Agreed. Docs updated.

#2 - 2014-10-02 17:21 - Dave Vieglais

- Target version set to Maintenance Backlog
