Infrastructure - Task #1951

Support # 1947 (Closed): deploy MNWebTester for v1.0.0

refactor MNWebTester index page(s) to display version and release info

2011-10-28 17:00 - Rob Nahf

Status:	Closed		**Start date:**	2011-10-28
Priority:	Normal		**Due date:**	
Assignee:	Skye Roseboom		**% Done:**	100%
Category:	d1_integration		**Estimated time:**	0.00 hour
Target version:				
Milestone:	CCI-1.0.0		**Story Points:**	
Product Version:	*			

Description

want to do this programmatically, instead of manually. Making sure the info is gained from the manifest.
index.html is currently a static page, so either need to make dynamic or create a new resource at build time.

History

#1 - 2011-11-14 21:08 - Skye Roseboom

- Assignee changed from Rob Nahf to Skye Roseboom

#2 - 2011-11-15 19:56 - Skye Roseboom

- Status changed from New to Closed

#3 - 2011-11-15 19:57 - Skye Roseboom

- Status changed from Closed to In Progress

Nevermind the above comment. wrong issue. moved back to 'in-progress'

#4 - 2011-11-15 21:20 - Skye Roseboom

- Status changed from In Progress to Closed

Created servlet (TestRunnerIndexServlet) and jsp(index.jsp) to service index.html url.

added info from manifest - version, branch, revision, build time from servlet for display on jsp.
