#### Description

Please take off the Username and Password information from the Stay Informed Link under Get Involved. It would be better to just collect an E-mail, then send periodic e-mails.

#### History

##### #1 - 2010-02-04 14:31 - Dave Vieglais

It isn't clear which user name and password you are referring to: Screen shot of the "Stay Informed" page: [Image\(Screen shot 2010-02-04 at 09.26.02 .png\)](#)

##### #2 - 2010-03-16 17:15 - Dave Vieglais

UN/PW can potentially be replaced with a form from plone which just asked for the email address and generates a random password.

##### #3 - 2010-06-15 14:53 - Dave Vieglais

Not sure what this refers to - the "Get Involved" link points to a page where user can register interest in the project.

##### #4 - 2010-06-15 14:54 - Dave Vieglais

- Status changed from In Progress to Closed
