

Infrastructure - Task #234

Create and publish MN information linked from "get involved" page

2010-02-04 15:57 - Robert Sandusky

Status: Closed	Start date:
Priority: High	Due date:
Assignee: Dave Vieglais	% Done: 100%
Category: Support Operations	Estimated time: 0.00 hour
Target version:	Story Points:
Milestone:	
Product Version: *	

Description

1. go to <https://dataone.org/get-involved>
2. see text "Become a member node in [DataONE](#)"
3. this doesn't link to useful information

Expected result:

1. be able to link to information about signing up as a MN

Suggested resolution:

We can repurpose the existing membernodes.txt information to create a page on the collaboration site.
