Target version:	Sprint-2012.09-Block.2.1	Story Points:	
Milestone:	CCI-1.0.0		
Product Version:	*		
Description			
Tested:			
curl -v " https://cn-sandbox.dataone.org/cn/v1/log "			
Returned:			
<?xml version="1.0" encoding="UTF-8"?>			
Not Found: The server has not found anything matching the Request-URI.			
Log on cn-sandbox-orc-1 shows:			
20120214-17:10:22: [DEBUG]: No handler mapping found for [/v1/log]			
[org.springframework.web.servlet.handler.BeanNameUrlHandlerMapping]			

History

#1 - 2012-02-29 16:15 - Chris Jones

- Status changed from New to Closed

/log is now returning a properly formatted log list (albeit empty right now).
