

Infrastructure - Task #2384

Story # 2045 (Closed): Get the DataONE CLI ready for public release

CLI "create" command fails

2012-02-23 18:45 - Andrew Pippin

Status:	Rejected	Start date:	2012-02-23
Priority:	Normal	Due date:	
Assignee:	Andrew Pippin	% Done:	0%
Category:	d1_client_cli	Estimated time:	0.00 hour
Target version:	Sprint-2012.11-Block.2.2	Story Points:	
Milestone:	CCI-1.0.0		
Product Version:	*		
Description			
The "@create@" command returns without an error. However, the object cannot be found, and the number of objects returned by the "@list@" command remains the same.			

History

#1 - 2012-02-23 20:25 - Matthew Jones

- Tracker changed from Task to Bug

#2 - 2012-02-24 19:52 - Andrew Pippin

It turns out that the response code was being ignored. I am getting a 401 error.

#3 - 2012-02-24 22:02 - Andrew Pippin

- Status changed from New to Rejected

I was getting a 401 error (which was being ignored). Create actually works.
