Story # 2086 (Closed): CN issues found when creating tests for Python D1 CNClient

Update metacat MN crontab entry syntax to not use "0/3" in the minutes field

2012-02-24 18:29 - Chris Jones

Status:	Rejected	Start date:	2012-02-24
Priority:	Normal	Due date:	
Assignee:	Chris Jones	% Done:	0%
Category:	Metacat	Estimated time:	0.00 hour
Target version:	Sprint-2012.11-Block.2.2	Story Points:	
Milestone:	CCI-1.0.0		
Product Version:	*		

Description

Metacat is currently configured to use the "0/3" syntax to schedule synchronization every three minutes. due to a DataONE schema bug, we can't use this syntax in the 1.0.1 version. change this to use the cooma format: "0, 3, 6, 9" etc.

History

#1 - 2012-02-24 19:43 - Chris Jones

- Status changed from New to Rejected

The schema will be changed instead to allow slashes.
