

Infrastructure - Bug #2513

gmn getLogRecords returning no objects when no parameters passed on the query string

2012-03-21 20:26 - Rob Nahf

Status:	Closed	Start date:	2012-03-21
Priority:	Normal	Due date:	
Assignee:	Roger Dahl	% Done:	100%
Category:	d1_mn_GMN	Estimated time:	0.00 hour
Target version:	Sprint-2012.11-Block.2.2	Story Points:	
Milestone:	CCI-1.0.0		
Product Version:	*		

Description

in sandbox environment only!

with fromDate parameter, 15 records were returned:

<https://mn-stage-orc-1.dataone.org/mn/v1/log?fromDate=2012-03-15T20:12:54>

when no fromDate, 0 records returned:

<https://mn-stage-orc-1.dataone.org/mn/v1/log>

History

#1 - 2012-03-26 22:04 - Roger Dahl

Unable to reproduce it today. Retry the tests later and then close if still can't reproduce.

#2 - 2012-04-16 03:43 - Roger Dahl

- Status changed from New to Closed

Tried this again and still could not reproduce it, so I'm closing it.
