Milestone:	CCI-1.0.0		
Product Version:	*		
Description			
Evaluate the ONEMercury interface on windows 7 and correct issues identified.			
Initial evaluation on windows 7, explorer 9 indicates that the menu bar does not render as expected and the map view does not work.			
Subtasks:			
Task # 2559: Menu bar does not render under windows 7, explorer 9			Closed
Task # 2580: Address IE mixed-mode interaction with map widget.			Closed
Task # 2586: Fix IE rendering of EML science metadata in one-mercury UI			Closed

History

#1 - 2012-10-04 16:56 - Chris Allen

- Status changed from New to Closed
- Estimated time set to 0.00

ONEMercury has been tested on Windows 7 - Internet Explorer 9.0.8.

Menu renders CSS fine and there are no incompatibilities. The map view is also functional.
