

Infrastructure - Bug #3016

Content-Type filter in ONEMercury UI doesn't have any useful function

2012-06-23 21:20 - Bruce Wilson

Status:	Closed	Start date:	2012-06-23
Priority:	Normal	Due date:	
Assignee:	Skye Roseboom	% Done:	100%

Target version:	Sprint-2012.27-Block.4.2	Story Points:	
Milestone:	CCI-1.0.2		
Product Version:	*		
Description			
The ONEMercury UI has a box in the lower left that's labeled Content Type. Selecting any value in this box other than "All" returns an empty result set. I think we need to do something about this. Either we need to hide this box or we need to make a change so that at least one of the entries represents the kinds of content we have. Personally, I'd love to see something that limits the search to returning only results that actually have data directly available.			

History

#1 - 2012-06-25 17:21 - Skye Roseboom

- Category set to d1_mercury
- Milestone changed from CCI-1.0.0 to CCI-1.0.2
- Target version set to Sprint-2012.25-Block.4.1
- Assignee set to Skye Roseboom
- Status changed from New to In Progress

scheduling this for 1.0.2.

Will simply remove content type from UI and move the member node to the left - into the space previously occupied by content-type filter.

Also update javascript to ignore the content-type field - in checking if all fields are empty. Javascript should always provide the 'all' value.

#2 - 2012-06-26 04:48 - Skye Roseboom

Copied to 1.0.0 branch for 1.0.2 patch release.

#3 - 2012-07-02 16:55 - Skye Roseboom

- Position changed from 1 to 468
- Position set to 1
- Target version changed from Sprint-2012.25-Block.4.1 to Sprint-2012.27-Block.4.2

#4 - 2012-07-02 17:01 - Skye Roseboom

- Position set to 19
- Position deleted (472)

#5 - 2012-07-02 23:57 - Skye Roseboom

- Status changed from In Progress to Closed

tested with 1.0.2 patch release in sandbox.
