The project sponsor has specified that a minimum of three Coordinating Nodes and three Member Nodes will be stood up and operational at the end of the first year of the project (i.e. 2010-07-31).			
Rationale:: It's something the sponsor, or the directors of the sponsor need to see for assurance of progress.			
Fit Criteria:: By the end of year one of the project (i.e. 2010-07-31) there will be at least:			
<ul style="list-style-type: none"><li>• three operational coordinating nodes</li><li>• three operational member nodes</li><li>• Basic mirroring of content between CNs and replication of content from MNs should be enabled.</li></ul>
