Description

As a lead for a [DataONE](#) semantics WG, I need some specification of the topics and domain that my group will be focussing on for the groups research activities.

History

#1 - 2010-06-01 15:59 - Dave Vieglais

Some notes were gathered during the 20100527 meeting in ABQ. See raw notes towards end of http://epad.dataone.org/20100525-ci-minutes

#2 - 2011-02-01 18:34 - Dave Vieglais

- Status changed from New to Closed

Working group is progressing after meeting held at Stanford, Jan 24-26 2011.
