<b>Product Version:</b>	*		

#### Description

Implement a script that pulls old tickets from the trac xmlrpc interface and sends out reminders to the ticket owners.

- Should be a single email containing convenient links to old tickets
- Include basic instruction on how to effectively resolve the ticket
- Group tickets by category
- OK to ignore old tickets that were modified recently (still active)

#### History

#1 - 2010-08-04 03:16 - Dave Vieglais

- Status changed from New to Closed
