Target version:		Story Points:	
Milestone:	None		
Product Version:	*		
Description			
Create a package in Maven that will hold the interface definitions for the service API and associated types and exceptions.			

History

#1 - 2010-03-23 09:26 - Matthew Jones

- Status changed from New to Closed

Completed. Created the service_api module in software/cicore/service_api using standard maven archetypes. Run 'mvn package' to build, and 'mvn test' to test.
