<ul style="list-style-type: none"><li>• Need login account with root privileges.</li></ul>			

### History

#### #1 - 2010-03-30 16:02 - Ryan Scherle

Replying to "dahl":/issues/show/407:

- Need login account with root privileges.

For what activities? If there is something that cannot be installed in the user account, let me know and I will get it installed. This machine is managed by Puppet, so changes made locally (especially to startup scripts, tomcat config, and other basic services) will be overwritten periodically.

#### #2 - 2010-04-01 15:03 - Roger Dahl

- Status changed from New to Closed
