<b>Description</b>			
From feedback at the AHM:			
<ul style="list-style-type: none"><li>• The DataONE orange color appears too red on the map due to the transparency of the plum-colored data symbols. Use either a lighter shade of orange, the DataONE teal, etc.</li><li>• Move the legend to the top right corner</li><li>• Change the title to be more descriptive, like 'Data Set Distribution'</li></ul>
