**Description**

When navigating to the dashboard distribution map using the 'Maps' button, it renders the map center correctly on the first time, and subsequent times it centers at somewhere near -90, 0. Fix this to center the map on the original center.

## History

Chris J, I've been waiting to talk to you about this issue and issue number 4145. I believe I have pinpointed the cause of both issues, but there are several different ways to fix them. I need to talk to you to see which way you would prefer.

**#3 - 2013-11-19 03:39 - Chris Brumgard**

*- Status changed from New to Closed*

*- % Done changed from 0 to 100*

*- translation missing: en.field_remaining_hours set to 0.0*

Issue should be fixed now.
