

DataONE R Client - Bug #4143

Eliminate extraneous output from R client

2013-10-30 00:12 - Matthew Jones

Status:	Closed	Start date:	2013-10-30
Priority:	Normal	Due date:	2014-09-10
Assignee:		% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	DataONE R Client 1.1.0	Story Points:	
Milestone:	None		
Description			
The R client is very chatty, emitting messages throughout all of its operations, many of which are debugging messages. Need to turn these off. And this probably requires turning them off in libclient as well.
