

Test - Task #5358

MNDeployment # 5354 (Closed): KUBI: Testing

Task # 5355 (Rejected): KUBI: Registration in environment

Task # 5357 (Rejected): KUBI: SSL Certificates

KUBI: Generate client certificate for urn:node:KUBI

2014-05-28 19:09 - Roger Dahl

Status:	Rejected	Start date:	2014-05-28
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			

Description

Create the client certificate and send it to CJ Grady, Aimee Stewart. When the certificate has been installed on the MN, the MN contacts should notify DataONE.
