Revision 16150 - 2015-08-24 21:43 - Rob Nahf

refs: #6009 removing hold-over types 'FormatList' and 'ServiceExtension' related to rejected design for registering MN services.

History

#1 - 2014-10-01 16:57 - Robert Waltz

- Target version set to CCI-2.0.0

#2 - 2015-04-20 13:59 - Dave Vieglaiss

- Status changed from New to Rejected

- translation missing: en.field_remaining_hours set to 0.0

The approach to be followed is to leverage the existing infrastructure and utilize metadata formats that are suitable for describing services that may be available at member nodes or other locations.

There are no structural changes required to support this.
