Description
Deploy three CN virtual machines. Install VMs, setup DNS, install CN packages. Coordinate this with the admins - Nick, David, and Dave.

History

#1 - 2010-08-04 03:12 - Dave Vieglais

- Status changed from New to Closed

This is done, though Admins are a little out of the loop. Awaiting a new admin at ORC. David is helping with evaluation phase configuration.
