Story Points:			

Description

CN Sync received multiple SSL handshake exceptions during what might be a network partition, or possibly due to something wrong with the PoolingHttpClientConnectionManager.

Investigate how the PoolingHttpClientConnectionManager deals with broken SSL connections, and look for possible ways for us to recover from them.

History

#1 - 2015-02-11 20:21 - Rob Nahf

- Project changed from Infrastructure to Java Client
- Category deleted (d1_libclient_java)
- Status changed from New to Rejected

errors coming from v1 libclient, so doesn't apply.
