History

#1 - 2015-06-07 17:16 - Laura Moyers

Bruce met with WCMC in June 2015. Possible interest, but not an immediate priority. Need to re-visit and re-evaluate as DataONE further develops Slender Node capabilities. Definite interest in at least advertising the metadata for some key holdings, such as the World Database on Protected Areas (<http://www.protectedplanet.net/>).
