#### Description

A minor bug that does not affect overall functionality but is annoying for feedback

In [https://repository.dataone.org/software/cicore/trunk/d1\\_libclient\\_python/src/d1\\_client/solr\\_client.py](https://repository.dataone.org/software/cicore/trunk/d1_libclient_python/src/d1_client/solr_client.py)

`SOLRSearchResponseIterator` constructor:

```
self._nextPage(self.crecord)
self._numhits = 0
```

but `_numhits` is assigned in `_nextPage`.

#### History
