CN REST - Task #7509

Story # 7506 (Closed): Tracker for libraries that need to be updated

Decide if other CN libraries should be updated

2015-12-04 02:00 - Ben Leinfelder

Status:	Closed		**Start date:**	2015-12-04
Priority:	Normal		**Due date:**

Target version:	CCI-2.0.2			
Story Points:				

Description

Other libraries that use d1_cn_common directly, include:
* d1_cn_tools
* d1_replication
* d1_synchronization
* d1_cn_approve_node
* d1_cn_index_tool

Do we need to update these to keep the entire CN server using the same exact version of d1_cn_common? It would mean redeploying many other components of the CN even though the only thing that changed is the LDAPSerice abstract superclass in d1_cn_common.

History

#1 - 2015-12-07 21:59 - Ben Leinfelder

- Description updated

#2 - 2015-12-08 21:46 - Ben Leinfelder

- Status changed from New to Closed

- % Done changed from 0 to 100

- translation missing: en.field_remaining_hours set to 0.0

Sounds like we will update the downstream projects to keep consistency on the CN.

#3 - 2015-12-08 23:08 - Ben Leinfelder

- Description updated

- Estimated time set to 0.00
