Description

The search UI aka. MetacatUI, issues some queries that appear to be poorly formulated. Two examples are listed at:

- <https://github.com/NCEAS/metacatui/issues/248>
- <https://github.com/NCEAS/metacatui/issues/262>

These cause excessive load on the search index and should be refactored as soon as possible.

History

#1 - 2017-12-18 19:08 - Rob Nahf

both metacat UI tickets currently marked as closed.

#2 - 2017-12-18 19:08 - Rob Nahf

- Status changed from New to In Progress

- % Done changed from 0 to 30

#3 - 2017-12-26 18:28 - Dave Vieglais

- % Done changed from 30 to 100

- Status changed from In Progress to Closed
