Description			
Interest in Ag Data Commons (https://data.nal.usda.gov/) becoming DataONE Member Node - this is dependent on the Ag Data Commons going production			
Contact: Cyndy Parr (Cynthia Parr cynthia.parr@ars.usda.gov)			
September 18, 2017: Becoming a DataONE member node is in my road map and always has been. As soon as we have the funding we need to go to production (and as soon as I get leadership buy in) we'll be able to map out a timeline on when we can make this happen.
