

Member Nodes - Task #8378

MNDeployment # 6674 (Operational): OTS - Neotropical Data Center

(OTS) replicate data

2018-02-26 21:58 - Amy Forrester

Status:	In Progress	Start date:	2018-02-26
Priority:	Normal	Due date:	
Assignee:	Amy Forrester	% Done:	30%
Category:		Estimated time:	0.00 hour
Target version:			
Story Points:			
Description			
Encourage OTS to replicate data			

History

#1 - 2018-03-12 16:13 - Amy Forrester

- % Done changed from 0 to 30
- Status changed from New to In Progress

3/12/18: check with Oscar to see if OTS has considered replication policy
* while attempting to retrieve system metadata for one object - major errors popped up. Restarting tomcat fixed the error.
* This issue has been address on the Metacat 2.8.6 - They are running version 2.8.5 - current version 2.8.7

#2 - 2018-04-25 02:49 - Amy Forrester

Plan to upgrade GMN first week of May prior to changing replication policy

#3 - 2018-05-14 13:33 - Amy Forrester

5/8/18: check-in --> per Oscar, work pushed down in their queue

#4 - 2018-07-31 18:49 - Amy Forrester

7/31/18: check-in
