Story Points:			

Description

- Schedule introductory meeting.
- Provide potential MN with documentation:
 - What is DataONE? (<https://www.dataone.org/what-dataone>)
 - Benefits of collaborating with DataONE as a Member Node (<https://www.dataone.org/benefits-becoming-member-node>)
 - General process of becoming a Member Node (<https://www.dataone.org/member-node-deployment-process>)
 - Responsibilities of a Member Node--Partnership Guidelines (http://www.dataone.org/sites/all/documents/DataONE_MN_Partner_Guidelines_20131024.pdf)
 - MN Description Worksheet: (<https://drive.google.com/file/d/1pTstSQ2ziDEl-7B1LacU0ZyrsZzL4G3x/view?usp=sharing>)
 - MN Deployment Routes (<https://www.dataone.org/member-node-deployment-routes>)
 - Member Node APIs (https://releases.dataone.org/online/api-documentation-v2.0/apis/MN_APIs.html)

{checklist}

- Upload completed MN Description Worksheet
