<b>Story Points:</b>	
<b>Description</b> Adjust appearance of data citation in the case of formatid <a href="http://www.isotc211.org/2005/gmd-pangaea">http://www.isotc211.org/2005/gmd-pangaea</a> such that the SID alone appears in the data citation and not the PID. This is intended as a temporary fix to be in place only while a longer term strategy for customizing appearances of data citations is designed and implemented. Once that longer term strategy is in place, whatever temporary code level changes were implemented to accommodate PANGAEA should be removed.
